» Museums

The MeranCard grants one free admission to each museum listed in this leaflet. Some museums are closed during winter months. Please consult the museum or the local tourist office for updated opening hours. All extra services such as guided tours, museum educational activities or special events are not included unless expressly indicated.

» What is the MeranCard?

The MeranCard is an advantage card, which is handed out to guests in participating partner accommodations in Meran/Merano and environs. The card is included in the room price and grants access to a number of services without additional charge or at a discounted price (see included services).

» How long is the MeranCard valid?

The MeranCard is valid from 15th October 2020 to 30th June 2021. The card is valid for your entire stay, provided that it coincides with the validity period of the card. Should you stay for longer than one week, you are entitled to another card.

The MeranCard must be validated each time when using public transportation or visiting a museum. In order to benefit from the discounts, the card must be presented in advance.

» Who receives the MeranCard?

All guests staying at a partner accommodation in Meran/Merano and environs get a card of their own. Children aged between 6 and 14 get a junior card. Children under the age of 6, accompanied by an adult holding the MeranCard, do not require a card of their own. The card is personalized and cannot be transferred. The MeranCard is not available for purchase and is handed out to guests with at least one overnight stay at one of the partner accommodations.
